FAQs

WHO IS ELIGIBLE TO SERVE ON THE EXECUTIVE BOARD?

Anyone who has been a chairperson of a Kipling PTO Committee for at least one full year can be considered to serve on the Executive Board. President has to either have served on the board OR held a major committee position.

HOW IS THE EXECUTIVE BOARD CHOSEN?

The first step in selecting the Executive Board is for all interested and eligible PTO members to fill out and submit a job intention form to the nominating committee chairperson, Meghan Martinez. Then, the nominating committee—made up of the chairperson, 2 current board members and 2 general PTO members—will meet to review the forms and choose a slate. The slate is presented to the General PTO and voted upon.

HOW LONG DO YOU SERVE IN A POSITION? All positions are elected for a two year term.
